Peace of Mind with Cruiser Care

cruiserrv.com

Pre-Delivery Testing

Every one of our units undergoes a multi-point RV inspection at the end of the line before leaving our facility including testing on the electrical, fresh tank fill and holding tank flooding, plumbing, LP gas, and fuel stations. Additionally, we run rain bay analysis to check for leaks and we conduct monthly road tests to see how each unit drives, ensuring the ultimate roadworthiness. We do these exhaustive tests so you can rest assured that your trailer is road-ready the moment it arrives.

Advanced Facilities

Producing top-quality trailers starts with top-tier facilities. Our advanced, custom-designed production spaces include advanced warehouse, parts center, and cabinet shop, all designed to ensure efficiency and excellence. A share of our materials and spare parts are safely stored indoors, shielded from weather elements to maintain their integrity. Additionally, our newly optimized 80,000-square-foot parts and service center allows us to stock a wider selection of parts and ship them to you faster than ever, ensuring timely replacements and quick repairs when you need them most.

Triple Warranty Protection

After purchasing your trailer, Cruiser has your back! Our employees take pride in building a great product, but we all know that things happen on the road. That's why our trailers come with not only two manufacturer warranties, with our 1-year limited manufacturer warranty and our 3-year limited structural warranty, but we partner with the best suppliers in the industry, many of who provide multi-year warranties on their components, including tires. Triple warranty protection gives you peace of mind as you head out on your journey.

Support When You Need It

Issues happen out on the road. When you need support, we're always ready to help. Our live chat feature connects you to an expert instantly or, if you prefer to call, service calls are answered by experts who can answer your questions quickly. Our new online catalog makes it easy to order new parts, with many shipping out in 24-48 hours*, and warranty claim pre authorizations are processed within 24 hours, so you can get exploring again. (*excludes weekends)

Product information is as accurate as possible as of the date of publication of this brochure. Due to Cruiser RV's commitment to continuous product improvement, floorplans, materials, components, features, measurements, specifications, options, etc. are subject to change at any time without notice or obligation. In certain conditions some additional equipment may be needed. Photos may show optional equipment or props used for photography purposes only. Cruiser RV has listed the approximate base weight of the trailer without the optional equipment included. Optional equipment will impact the weight of the trailer. Please locate the weight sticker attached to the trailer you are considering for the most accurate trailer weight. Tow Vehicle Caution: Owners of Cruiser RVs are solely responsible for the selection and proper use of tow vehicles. All customers should consult with the motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Cruiser RV products. Cruiser RV disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. Cruiser's limited warranty does not cover damage to the recreational vehicle or the tow vehicle as a result of the selection of the tow vehicle. The overall length for a Travel Trailer is defined as the body length of the trailer including hitch, meaning bumper to hitch/pin) It does not include rear ladder of spare tire. Optional pin boxes will affect overall length. 12/24

Easy RV Management

Have a wealth of helpful information about your RV at your fingertips with the MyCruiser mobile app. Link your RV to the app to easily monitor warranty information and sales and parts orders for the ultimate in transparency. Set push notifications to keep you informed of shipping or warranty claims, to remind you about routine maintenance, or with consumer rally updates. Quickly find a Cruiser dealer wherever you are with the app's dealer locator tool. And browse helpful content including checklists, how-to-articles, videos and podcasts.
