simply BREATH TAKING

Reinvented both inside and out, the 2019 London Aire is nothing short of spectacular. On the sides of each cabin window lie irresistibly modern designer wall sconces and fabric window treatments. And down below, seating complemented with a nailhead trim and dressed in Ultraleather® fabrics play host to buttoned and embroidered throw pillows. Porcelain tile flooring covers each slideout, is heated throughout the main cabin, and is presented with a stunning polished finish.

REFINEMENT *at* ITS FINEST

The 2019 London Aire uses Comfort Drive™ adaptable steering and Passive Steer technology to take long-distance travel from taxing to relaxing. And with the exclusive steel superstructure we call “the STAR Foundation” precision-welded to every London Aire chassis, you and yours will enjoy a quieter, more stable ride too. Once you arrive, host an outdoor gathering with your Dometic® pull-out freezer and an available entertainment center that comes complete with a TV and Bluetooth®-compatible soundbar.

Floor plan 4576

OPEN UP *to* EVEN MORE

A brand-new floor plan for 2019, 4576 is a distinct bath-and-a-half layout with four power slideouts, allowing for an expansive cabin that still has ample space for all of the furnishings and amenities you expect to find in a Newmar. In the living area, a sleeper sofa can be swapped for a set of recliners or a new chaise lounge with power footrests, each offering the perfect view of a retractable 49-inch TV. The dinette sits a step away from the kitchen, with a half bath at mid ship and a full-wall wardrobe in the rear.

multi-faceted STYLE

Amidst the opulence and glamour that is a part of every London Aire, Belair décor adds a clean and contemporary look with chic patterns and a collection of accents, fabrics, and materials that go far beyond anything else in its class. Solid surfaces are brought to life by random veining, and the impressive glass backsplash is present in both the kitchen and bath spaces, with ivory-colored seating further enhanced by a nailhead trim.
